The Jewish
Heritage
of
Padua

On June 18th next the Jewish Heritage Museum of Padua will open: a multimedia experience together with the exhibition of a huge amount of Judaica from the past centuries to the present will introduce the visitor to the history of the Jews in Padua.

Guided Tours to the Ghetto, to the five ancient cemeteries and to the Italian rite Synagogue (16th century) will be provided by professional guides.

A video installation (45 minutes) will give the visitor the opportunity to take part in the life of ten outstanding Jewish figures that populated the town in the past.
